The Berenstain Bears School Time Blessings (Berenstain Bears/Living Lights)

Synopsis

It's back-to-school time in Bear Country! After the long and lazy summer, it's time for school. Brother and Sister are ready to see their friends and get busy with all of the things they enjoy about school—but are nervous about the more challenging subjects like math and history. And Honey Bear will be going to nursery school for the first time—but how will she handle not being home with Mama and Papa all day? In this new Berenstain Bear Living Lights book, Mama and Papa Bear remind their cubs that prayer and God's love are always there to guide them and that they will support them no matter what the challenge.

Customer Reviews

Stan and Jan Berenstain introduced the first Berenstain Bears books in 1962. Mike Berenstain grew up watching his parents work together to write about and draw these lovable bears. Eventually he started drawing and writing about them too. Though Stan died in 2005 and Jan in 2012, Mike continues to create the delightful Bear adventures from his studio in Pennsylvania, in an area that looks much like the sunny dirt road deep in Bear Country.
