# First Time With My Stepbrother Boxed Set

## Synopsis

These five innocent, inexperienced good girls have been saving themselves for someone special - the problem is, the one person they want more than anything in the world is someone totally off-limits. These five hot, sexy bad boy stepbrothers can't resist their untouched stepsisters, no matter how taboo it might be. They want to go where no man has gone before. They're hungry to mark their territory and fill these fertile fillies with the fruit of their loins. Five filthy, forbidden fantasies will be fulfilled. Five sweet, little princesses will get every naughty thing they have coming to them - and they'll explore it all in secret with their devious, dirty, twisted stepsiblings. This is the ultimate stepbrother boxed set - where all your naughtiest dreams and desires about to come true. Five darkly delicious tales that push all the right buttons in all the wrong places.

## Customer Reviews

Baby Kissees - Very Good - It may be taboo but it is a good read that is very well written. Baby Love - Well Written - Funny, well written, but hard on the christian faith. Still good. Baby's Big Night - Cute - Definately cute, funny, and sexy. It may be short but it is a full story. This Time Baby - Such a Tease - The sister was such a tease it made you wonder why he would still want her but he did. Welcome Home Baby - Sweat - I just want to say that to love someone so much to be willing to give up so much there should not be anything wrong with that.

>>>>>>>>>>>>>>>>>>>>>\*\*\*\*\* - I recomend all but read for yourself to make your own mind up.

Full review sent over to WLK, overall an ok tabooish kinky story that had it ups and down as well as sometimes off(The review will be shared when there is room)There was one story I DFN since it seem to be characters where to YOUNG... NOT going there ... (This Time Baby...)

Allie and Kit their first. WOW! Readers will enjoy this sexual story. Masturbating while Allie is in the shower and Allie is getting off as Kit is coming . Thank you

Six sexy stepbrother novellas in one purchase. While the plots varied, the pair always wound up happy, making it a nice easy read. Editing could be a little better, but pleased I read it.

I enjoyed these stories. I always love it when it's more than a one time thing. I've enjoyed all of Selena's books so far.

These where ok. I liked the first one the most. They seem to be the same format, just different names and descriptions. Was ok for being free.

Love Selena, read everything she writes. Taboo and hot. Live the short stories, alpha makes ready to take every thing.

This book had me captivated from page one had to read in one setting,I highly recommend it to others ,you'll enjoy it
