Captive: Beautiful Monsters Vol. 1

Synopsis

“This is the most intense book I have ever read. From the sex to the battles and the strong emotions, this book [is] one thrilling read. I would not call this a romance at all, so not soft and fluffy here. That would have ruined the book. I cried through a lot of this book and the ending!!

WOW! “This was phenomenal! I could hardly stand to put the book down to eat or work or sleep. I have a weakness for a male character that is not afraid to explore his sexuality. I read this too fast. Can’t wait to start the next one.” “I could not put this book down. It was extremely well written. The characters are complex and well developed, pulling you in. Jex is able to portray the emotions and emotional growth of her characters beautifully.” “Oh my. This book blew me away. It’s sexy, violent, passionate, and utterly captivating. I loved, loved, loved the relationship and dynamic between Tarrick and Matthew. The world-building was done perfectly, with enough details to make it understandable but not so much we drown in descriptions. The mystery of who and what Matthew is is slowly being unraveled and done really well. Cannot wait to read the next book!” “Jex Lane is on par with the likes of Laurell K. Hamilton, Anne Rice, Charlaine Harris, and Tanya Huff. And let me say that I really enjoy Lane’s take on vampirism and the rules that govern them in her universe. I cannot wait to see what is in store for Matthew, and I kind of wouldn’t mind meeting him in a dark alley.” Matthew Callahan has spent seven years struggling against the insatiable hunger for blood consuming him. Unable to stop the vampire inside from preying on humans, he keeps himself confined to a lonely existence. Everything changes the night he is lured into a trap and taken prisoner by High Lord General Tarrick – a seductive incubus who feeds off sexual energy. Forced into the middle of a war between vampires and incubi, Matthew is used as a weapon against his own kind. Although he’s desperate for freedom, he is unable to deny the burning desire drawing him to the incubus general he now calls Master. *Captive* is a full-length novel. 117,000 words. 1. *Captive: Beautiful Monsters* Vol. 12. *Sire: Beautiful Monsters* Vol. 23. *Broken: Beautiful Monsters* Vol. 34. *Blood Prince: Beautiful Monsters* Vol. 4 – coming 2018 This book contains dark themes, a captured bisexual vampire, and high heat. It is intended for mature audiences.

Customer Reviews

AAAAAAMAZING!!! I wish there was another and another book to read in this series. I reread the first two after I bought the 3rd book and I feel in love with Matthew and Tarrick and Devak all over again. Great plot! Great characters! Huge twists! Steamy as hell sex scenes! I'm loving this author and this series. I can't wait for more.

Sexy, thrilling, "informative", exciting, well written and edited. All around great! Well drawn characters, enthralling plot line, imaginative. Can't recommend it highly enough.

I travel with Matthew through his journey to discover how he really is,thorn between his feelings and betrayal.Get ready is going to be a bumpy ride.If you sensible reader and don't like guys having feeling for another sexy Succubus well beware but if you like me that love sexy and romantic paranormal, definitely this book won't disappoint you.I can't wait to start reading the second book

I certainly wasn't expecting this. I like vampire stories like any other chick can tell you, but...holy cow, this was AMAZING! I actually read this in one sitting!The plot clipped right along, the sex was steamy, and now I want to own an actual physical copy of this book!! I want to suggest to readers

who love vampire stories-READ THIS BOOK!!!!It's well worth every single star.

The MC is a vampire with no known sire. He gets captured basically by the enemy and broke in a sense. He learns to sort of work with his captors. And gets manipulated a lot. I pretty much hate Tarric and want to sleep with him. Maybe. Probably. In the end Matthew gets freed thankfully. And in the next book finds out who his sire is which is terrifying and awe bathing at the same time. Great book. So glad this is a series I found and Jax Lane who seems like a fun person to be around and is a gamer!!!!

A good story. Exciting mm and fm action. I picked it up and finished the next day. A incubis vampire mix man who is betrayed by the man that he loves, who he sacrificed for. Will he kill his betrayer? That's in book 2. I highly reccomend this book to lovers of urban fantasy.

Such a unique take on the vampire genre. I have moved through books 1-2-& 3 with rapt interest and was so glad my hopes were answered at the end when I saw Matthew would be back in a 4th book in 2018.I was taken with him from chapter 1 and all the truly believable characters Ms. Lane has brought to life.

Great characters make this one book that is extremely difficult to put down. Matthew is a vampire held captive by High General Tarrick, an incubus that Matthew finds hard to resist. Matthew is basically ignorant about his birth parents and his vampire sire. Excellent world building and well drawn characters make this a fantastic story. Highly recommended.
