StreetSmart Hawaii

Synopsis

VanDam's award-winning Hawaii StreetSmart maps all top attractions including museums, major architecture, hotels, historic sites, beaches, state parks, and more - all at an immensely legible super-scale, complete with 3-D building illustrations. Clear information design allows users to read the map from three feet away and has earned VanDam maps a place in the MoMA Collection. Hawaii StreetSmart includes a stunning dimensional detail of each island, as well as details of Honolulu, Waikiki Beach, and Diamond Head. Simplicity reigns supreme in information design to make complex cities clear and understandable. Our typography creates character and reveals the true bones of the islands. VanDam uses a letter grid to identify locations on maps - no confusing and cluttering K-28 or V-34s - its just the city from A-Z. Our covers map the icons of each city and turn them into collectible graphic art. Each sleek and laminated city map package opens to 24" x 9" and then easily folds down to 4" x 9" to snuggly fit into a shirt pocket or purse. Gain instant Hawaiian StreetSmarts and a sexy souvenir to boot!
