Is It Wrong To Try To Pick Up Girls In A Dungeon?, Vol. 1 - Light Novel

Synopsis

In Orario, fearless adventurers band together in search of fame and fortune within the monstrous underground labyrinth known as Dungeon. But while riches and renown are incentive enough for most, Bell Cranel, would-be hero extraordinaire, has bigger plans. He wants to pick up girls. Is it wrong to face the perils of Dungeon alone, in a single-member guild blessed by a failed goddess? Maybe. Is it wrong to dream of playing hero to hapless maidens in Dungeon? Maybe not. After one misguided adventure, Bell quickly discovers that anything can happen in the labyrinth--even chance encounters with beautiful women. The only problem? He's the one who winds up the damsel in distress!

Book Information

Paperback: 216 pages

Customer Reviews

Fujino Omori is the author of the hilarious fantasy light novel series, *Is it Wrong to Try to Pick Up Girls in a Dungeon?* Suzuhito Yasuda is the artist most known for his illustrations for the *Durarara!!* light novel series as well as the hit new light novel series, *Is It Wrong to Pick Up Girls in a Dungeon?*

Manga or Light Novel. So there is a light novel version and a Manga. I have both versions and like them equally. I've also been watching the Anime on and off. To clarify things I'm going to include links to both the Light Novel and the Manga versions in case you want the other version when you come to the reviews. For some reason you can't easily find the Light Novel version via the search box. It's there just "hidden."Light

Novel:http://www..com/Wrong-Pick-Girls-Dungeon-Vol-ebook/dp/B00LZYBVJ4/ref=pd_sim_351_1?ie=UTF8&refRID=0HG8G3QE94QNJ9W9MRPZManga:http://www..com/Wrong-Pick-Girls-Dungeon-manga-ebook/dp/B00XIDJRVE/ref=sr_1_2?s=digital-text&ie=UTF8&qid=1434478104&sr=1-2In any case I first watched an episode on Crunchyroll and then decided to get the light novel (which was the only version available at the time). I then ended up getting the Manga too since I wanted to support the creators and I really liked the story, concept, and the artwork.

Great book but cheap printing. I don't know why Yen On is slacking on the printing of the cover. Every other book series has a nice shinny gloss finish. However this series is a matt finished. It's like they just skipped the gloss phase in printing to save money yet this book is more expensive than others. It picks up dirt and finger prints to easily. The cover art could be really beautiful but it just looks dull and feels weird in your hands. The story is very fun to read. This Light Novel is a spin off from the main series. It focuses on Aiz and the Loki familia. It follows along the same time frame of the main series. So everything that was going on with Bell in the first book, this will be told from Aiz's point of view. Great read but the printing quality is very lacking.

This is a fun little read that I picked up because I am watching the anime. The anime is a pretty faithful adaptation, taking three episodes for each volume of the light novel, but the light novel fills in a lot of little gaps that aren't necessary to know to understand the story, but are enjoyable little tidbits. As for the story, I love the fantasy setting with RPG-like aspects and I love the characters who are pleasant with interesting quirks

I like it just find it easier to read the Manga but that's just a personal preference.

Love this series

actually watched the anime before reading this. fairly similar, but found combat scenes in the anime better

I had already watched the anime; but I've started getting into LN's more. Decided to pick this up since the books generally contain more content. This book really lives off the cliché of "wanting to be a hero," but it works really well. They also explain the setting more thoroughly, which I thought was actually really interesting and original. I'll definitely be picking up the following volumes.

This was my first light novel read. I'll admit, I was a bit hesitant to pick it up due to having always been a fan of the images that come with manga, and this book, well... lacking (minus a few insert images every chapter or so). However, I've completely changed my perspective on light novels thanks to this book and I can expect to buy the rest of the series in time! Recommended read.
