Customer Reviews

I didn't do my homework. This was a huge book and not what we needed for just sightseeing in Salt Lake City. There were several large "overall" city maps that I was able to take out and use. I received it promptly and in good shape.

Just what I wanted!

So glad to find this. It helps me in my job. I bought it used. I got a fantastic price and it is in great condition.

This book is WAY out of date, 2006, 5 years. There are several subdivisions I need to see that is not in this edition. I will rely on Google maps, until a 2013 is released.
