SAM MALOOF was born in Chino, California, of Lebanese parents. He embarked on his career in furniture in 1948 and in 1959 and 1963 was sent to Iran, Lebanon, and El Salvador as a woodworking design consultant. He has exhibited actively and widely throughout the United States and also in the Vatican. His pieces are in numerous American museum collections and in the Vice President's house and the White House. He has received many awards, given workshops, and has been a consultant and exhibition juror. He has been featured in articles and books and is the subject of the films *Sam Maloof: Woodworker*, by Maynard Orme, and *Sam Maloof The Rocking Chair*, by Bob Smith. He is now a National Trustee and Chairman of the Academy of Fellows of the American

Craft Council and a member of the Board of Directors of the World, Craft Congress. JONATHAN FAIRBANKS is a former associate curator of the Winterthur Museum and a cofounder of the American Prints Conference. He has been Curator of American Decorative Arts and Sculpture at the Museum of Fine Arts, Boston, since 1971. --This text refers to an out of print or unavailable edition of this title.

The perfect book for the novice, intermediate, and the professional woodworker. This Volume gives complete instructions on how to build Sam's Rocker. Another Must have book for woodworkers. David F.

In addition to being one of the founding fathers of modern woodworking, Sam Maloof wrote openly and honestly about his approach to design, craftsmanship and running a business. The book is beautifully illustrated with his own hand sketches along with photos of his furniture, home and workshop. While George Nakashima's book (The Soul of a Tree) is similar in layout and presentation, Maloof's book is clear and concise in it's prose while Nakashima's can be more spiritual and vague in nature. If you are choosing between the two, I would start here. You will not regret it.

Absolutely THE BEST book out there about Sam Maloof. Great read over and over.

I'm a big fan of Sam, both as an artistic woodworker and generous human being.

Bought this as a gift for my husband. He's become a big fan of the late Sam Maloof and so far this is his favorite book.

Real old school craftsman!! Sam Maloof was the best. This book is wonderfully laid out, and depicts his whole life, personal and professional. I'm very happy with my purchase, and recommend it highly for information as well as a nice "coffee table" book.

My husband and I are enjoying Sam Maloof inspirational story, his creativity, and the wonderful photographs.

Beautiful book. as described and nicely packaged.
