Shipping Weight: 13.4 ounces (View shipping rates and policies)

Average Customer Review: 4.6 out of 5 stars 119 customer reviews

Best Sellers Rank: #60,584 in Books (See Top 100 in Books) #4 in [Books > Religion & Spirituality > Judaism > Sacred Writings > Torah](#) #46 in [Books > Religion & Spirituality > Judaism > Sacred Writings > Hebrew Bible \(Old Testament\)](#) #166 in [Books > Christian Books & Bibles > Bible Study & Reference > Bible Study > Old Testament](#)

Customer Reviews

Picked this up out of interest - I have never met with a professed Jew and been able to ask all the stupid goy questions that come with it, so I figured my own research would be a good alternative. The book itself is hardback, with a rather flimsy paper dust jacket. A thick volume, it has some heft to it. The translation is apparently something of a standard since the early 1960s, and is very coherent. I really like this one - I utterly despise the multitude of different English translations of the Christian Bible, particularly the King James version (which deviates considerably from the original Hebrew with all the inane thees and thous) but this volume has been highly touted as an honest translation that maintains the flow of the original language. It is written in English only, so if you are looking for a side-by-side in Hebrew, this isn't it. Highly recommended, even if you just have a passing interest.

Easy to read and understand.. It is the five first books of the Bible. I am using it for the challenge to find the 613 laws of Moses. D. Kenning

My large Hebrew Study Bible is daunting, with thin pages and endless explanations on side columns, and not something I can read when I'm eating, which is a bad habit I have. This book, however, is perfect in every way. Unfamiliar with it because I was raised Catholic, but wanting to know what I was missing (because Catholicism is based on Judaism), I found it easy to understand and packed with insight. If all youngsters (say, in junior high school) had to read just these 5 chapters, I think the fear of God they'd feel would result in better behavior throughout America. I love it and it has replaced any NT books I might have had.

This product was exactly what we expected. Is so nice, not to have the surprise of having to return something because it didn't meet our expectation.

We own bibles, quarans, Nag Hammadi resources. Now we have a torah. My husband is devoted to reading this as often as possible.

Mystical doctrines of Israel and kabala wisdom as the Talmud.

oldest known religion is African good read though. I would buy it again.

Good information
