Sydney (National Geographic Destination City Map)

Synopsis

Waterproof Tear-Resistant Travel Map Explore the vibrant urban life, culture, and natural beauty of Sydney with National Geographic's City Destination map. A detailed street map and inset of Sydney Harbour is featured on the front side of this comprehensive map. Transportation decisions in and around the city are made easier with the inclusion of ferry stops and CityRail, light rail, monorail, and Sydney Explorer stations. Hundreds of points of interest, places of worship, parks, notable buildings, pedestrian areas, hotels, theaters, and more are noted. The reverse side of the map has both a regional map and a diagram of the Sydney Airport. Unlike many city maps, this one also acts as a travel guide with information about points of interest, sites to visit around Sydney, and the many public transportation options. The CityRail map will prove particularly helpful to visitors wishing to travel to most attractions in the city as well as surrounding suburbs. Every Destination Map is printed on durable synthetic paper, making them waterproof, tear-resistant and tough • capable of withstanding the rigors of any kind of travel. Map Scale = 1:12,750 Sheet Size = 24.75" x 17.75" Folded Size = 4" x 8.75"

Customer Reviews

Founded in 1915 as the Cartographic Group, the first division of National Geographic, National Geographic Maps has been responsible for illustrating the world around us through the art and science of mapmaking. Today, National Geographic Maps continues this mission by creating the world's best wall maps, recreation maps, atlases, and globes which inspire people to care about and

explore their world.

This map was great for a first look at the city.

Fantastic detail. Just what we expected from National Geographic!

Just a map. Overpriced

Great companion while visiting Sydney.

This map is just what I wanted as both a tool in planning our visit to Sydney and as a guide when we get there. It has helped make other planning tools come alive and directed us toward the "must sees" of Sydney. Map is excellent as is the information provided on the reverse of the map. Well worth the purchase price! While our trip is still a few months off, I'd like to add to this review when we return.

very nice map, wish it went out a little broader and included across the bay a little. Over all the map will serve very well for an upcoming trip.

The map can be conveniently carried around town in your pocket. However, I expected more for the price. There were free maps in Sydney that were as useful as this one.

Good map of Sydney
