Power Vocabulary Builder: Learning 100+ GRE/SAT Vocabulary: Definitions, Synonyms, Antonyms And Sample Sentences (Royal Oxford Language Academy)

Synopsis

This book series was developed with the objective of helping language learners - especially those who are preparing for the GRE/SAT - master vocabulary words that are commonly found on the test. Power Vocabulary Builder is the first volume in a language-learning series designed to help you master common GRE/SAT vocabulary. This book is different from those with similar objectives because you will learn GRE/SAT vocabulary words with the help of 10 mini-stories and extensive practice sets that were developed by English-language experts. Typically, language learners will learn new vocabulary with the use of a dictionary or flashcards. However, we think that reading stories and learning by association is a much more enjoyable way to learn new words than reading straight out of a dictionary. Perhaps most importantly, we believe that learning should be fun! We would like to wish you good luck in your language-learning endeavors, whether or not you are planning to take the GRE or SAT!

Book Information

File Size: 999 KB

Print Length: 101 pages

Publication Date: March 25, 2017

Sold by: Amazon Digital Services LLC

Language: English

ASIN: B06XVXWYJ7

Text-to-Speech: Enabled

X-Ray: Not Enabled

Word Wise: Not Enabled

Lending: Not Enabled

Screen Reader: Supported

Enhanced Typesetting: Enabled

Best Sellers Rank: #456,415 Paid in Kindle Store (See Top 100 Paid in Kindle Store) #13
