## Customer Reviews

i did not meet my expectation it did not have many information. I was very much disappointed when I got the book. there are many other books which have more details and very well explained. I won't recommend this to anyone .

The book came as expected and right on time..thanks ..Love the book, must read, gives you an easy understanding of things in perspective. Would have loved if this would have been in the electronic edition, cant wait to read so just ordered it. Thanks again.!!

Nice

should sell more tamil books. I am tired of searching everywhere else

good

As described. No complaints.

An interesting book to read and another example which clearly shows Madhan is a very good narrator. If this book gets added as a history book along with Madhan's "Vandhargal Vendrargal" all students will come out with flying colors in their history exams. Package arrived in no time and in mint condition.
