The One Year Father-Daughter Devotions

Synopsis

As girls enter their tween and teen years, it's especially important for them to have an open and growing relationship with their father. Unfortunately, this is often the time when parental relationships are strained. The One Year Father-Daughter Devotions can foster communication and understanding; and it's a wonderful way for a father to bond with his daughter during a crucial point in her life. Each of the 365 devotions begins with an introductory story, then daddy-daughter time provides discussion questions, activities, or other practical applications of the daily lesson. A "What's the Word" section gives a related Bible verse to help bring God's Word alive as father and daughter apply the Scripture to their lives. Written by three fathers, the devotions have a tone that is conversational and relatable: the authors use everything from flavored potato chips to the Etch-A-Sketch game to share truths about God's Word and to help fathers and daughters relate to each other.

Daddy-daughter relationships are special. But how do you keep that special bond during the early teen years? One way is through daily devotions discussing God's truth using simple, everyday examples and activities. You'll also find two helpful bonus features: a daddy-daughter date guide and a movie list with discussion questions. This devotional gives more than 365 creative ways to connect fathers and daughters to God and to each other!

I have a ten year old. Not sure if some of the devotions are quite age appropriate. May be better for teenagers.

Love this and spending the time together with my daughter

Great book our young girls pastor has used these to open subjects that have been difficult to talk about without any problems.

I purchased this as a gift for my S.O's teenage daughter. He's a single dad and I thought that this would spark some all important, faith based dialogue between the two of them. I love that it answers REAL questions and deals with REAL issues relevant to teens today. It also allows father's to share their thoughts.

My husband and 10 year old step daughter read this book I bought them every night before bed. After reading, it prompts a discussion. I can see both of them growing closer to God since starting this book. I highly recommend!

We look forward to devotions every single night before bedtime prayers. It's relevant and fun for the both of us and it allows her to think more about others than just about "us".

I love this book! The book was easy to read and the devotions were short but sweet. We are teaching our daughter to read her devotions daily so this was special for her also. Daddy loves to read it to her and there is a good lessons and examples for Fathers and daughters to discussed.

Great Book will come in very handy.
