Customer Reviews

Although Harlen Coben has been a best selling author, I only started reading his books, starting with The Stranger. I wanted to know more about his other books. This gave me a starting point and helped me to know which books I wanted to read and in what order. I found it very helpful.

Reading order is the same as release order

Love this series. Bad language can be a bit annoying but is not a constant. The humorous banter between the characters is amusing.

Great book and as usual keeps you riveted. I can't get enough of his books keep them coming please. thanks so much

Helpful to understand the order but it needs to be updated as it doesn't have the most recent books listed.

Has a low rating because list is not complete. Fool me once is not on it what else was left off?

2 years out of date

Put me on the correct track for reading.
