Twice Upon A Time (Unfinished Fairy Tales Book 2)

Synopsis

Seven years have passed since Kat left Athelia. Through the intervention of the goblin king's baby daughter, the book is re-opened and Kat is transported back to Story World. Upon learning she is given a second chance, Edward is determined not to let her go this time. His chance of succeeding, however, seems like nil. Kat doesn't remember anything of their past, she loathes life at court, and she's anxious to return to the modern world. Not to mention that there's a price to pay for tampering with the book again.

Customer Reviews

For having a not-happy-ending, this story is surprisingly satisfying! I love that it's a clean romance. I'm so impressed with the author's ability to maintain tension and suspense. She did a great job taking a classic and spinning it so thoroughly that I didn't feel irked about it not being more true to the original. Some authors re-write classics and fail miserably, leaving me with annoyance. This story feels like what might happen if someone entered the story of Cinderella and changed the

trajectory. I only hope that in the next book we see some fairies, learn what happened to a certain older woman, find out why Liam is so grouchy, and actually have a happily-ever-after for Kat and Edward.

This is one of the best alternate fairy tale series I have ever read. Aya Ling is an excellent writer and I fully intend to seek out and buy any and all books that she has written or will write. I would give this series a 10 star rating if I could! If you like alternate fairy tales, you will really enjoy these books.

The first book was good but this book was way better. Aya had me on the edge of my seat til the very end. Got me sobbing and in suspense. I can't wait to see if Kat will be able to be happy. What will happen to Edward. This can not be the end of them..

Great love story about Kat and Edward. Can't wait to read ever after. Makes you realize you can fall in love with the same person more then once.

Super cute version of fairy tale. I recommend this series, and this author :)

This was a good book. Granite, I would have liked it better if it did not contain mild language or God's name in vain. Other than that the book was a clean read.

Absolutely love this book!! This is one of my favorite love stories! I totally recommend this book, I have seriously read this book multiple times :) just thinking about being sucked into a story book makes my imagination come alive!! This book also makes me laugh out load. Buy this book you won't regret it :)
