New Choices In Natural Healing For Dogs & Cats: Over 1,000 At-Home Remedies For Your Pet's Problems

Synopsis

Articles in Time and US News and World Reports have cited alternative medicine as the fastest-growing area in veterinary care. More than ever, pet owners are demanding facts on using these non-invasive healing methods for their pets. Author Amy Shojai has interviewed top vets across the country, including members of the Holistic Veterinary Medical Association and noted veterinarian Susan Wynn. Pet owners will learn why some vets moved away from mainstream medicine, how the "Healing Instinct" leads animals to their own natural cures, and how alternative therapies actually work. Readers will find tips for treating problems like aggression, fleas, and heart problems with accupressure, homeopathy, nutrition, herbs, exercise and traditional home remedies. Sidebars give "Alternative Success" stories and warning signs for when to call the vet. Now pet owners can be sure their pets have the same practical, holistic healing options as humans do.

"New Choices in Natural Healing for Dogs and Cats is full of tips from experienced holistic veterinarians, making natural alternatives a reality for treating emotional and physical problems."--Cheryl Schwartz, D.V.M., a holistic veterinarian in San Francisco and author of *Four Paws, Five Directions: A Guide to Chinese Medicine for Cats and Dogs*

Hey there, thanks for finding me on Author Central--and it appears we have "pet love" in common! I currently live with a 20-year-old Siamese wannabe, and a 2-year-old silver shaded

tabby delinquent who together keep my 9-year-old German Shepherd comedian dog in line. You can also find more details in some of my other pet books: Dog Facts: The Pet Parent's A-to-Z Home Care EncyclopediaCat Facts: The Pet Parent's A-to-Z Home Care EncyclopediaThe First-Aid Companion for Dogs & CatsComPETability: Solving Behavior Problems In Your (cat/dog/both) Household --This text refers to an out of print or unavailable edition of this title.

Its had to find a holistic book on healing your pets. I think most are afraid of law suits, anymore. This is a good book for you to start learning with. Just reading it will help you understand your pets better.

Couldn't be happier with my purchase

Great Product, Great Service.

Very useful - easy to read!

The book is very easy to read with helpful things you can use to help your pets at home with different illnesses and save money not going to the vet.

In the research for the 2nd edition of my book, I bought this book for alternatives in veterinary medicine. It is informative and interesting, although on some issues I find traditional medicine more effective. Good whole body approach!

great, this book should be task reading for every vet!

still reading but everything so far a\has been great advice
