Our second grader just finished a study unit based on the Iditarod Race. This book is a perfect way to remember how much she learned and how much fun we had following our favorite musher - Ally Zirkle , who finished 2nd this year!!!

This is written at the grade school level and a part of the Iditarod Trail Committee's active involvement with education. It really highlights these wonderful canine athletes and what they do.

My students enjoyed this book! The information was presented in an interesting way and of course, they LOVED the photos! If you're doing a unit on the Iditarod, do include this book!
