Bluff Your Way in Champagne, The Bluff Guid

The series are pretty tongue-in-cheek and some are better than others - this is the best I've come across. Written with a dry (brut?) sense of humour (that's humor for you north americans) there's actually a whole lot of really interesting stuff in here. From the correct way to pronounce Moët & Chandon (not what you think) to the truth about Marie-Antoinette's breast and the coupe shaped glass, it's all in here. Highly recommended.
