Battlefield Z Bluegrass Zombie

Synopsis

What happens after the world falls in a zombie apocalypse? A father hunts for his children in a world gone mad, and when he finds his two oldest hiding in a hell hole in Arkansas, they narrowly escape a plotting despot eager to feed them to the walking dead. When they get back to Fort Jasper, everyone is missing like the colonists for Roanoke, and the Dad must decide to press on to find his youngest in the refugee centers on the east coast, or search for his missing friends and survivors he helped bring to Alabama. Action packed and full of heart, Bluegrass Zombie is book 6 in the Battlefield Z series that some readers call addictive. If you like fast paced, action packed adventure with some laughs and a dumb hero who's only strength is will power, you're going to love this science fiction dystopia story. While you wait for book 7 in the series, check out FLYOVER ZOMBIE, and HEADSHOT ZOMBIE, books 1 and 2 in the spin off's set in the world left after Battlefield Z. A ragtag group of survivors form a convoy to travel cross country for the rumored safety of the West Coast and discover the zombies aren't the worst thing left after Armageddon. Readers of BLUEGRASS ZOMBIE can grab the first book as a gift inside.

Customer Reviews

I loved this story. The author pulls you in with humor, real emotions with no apologies, action, zombies, crazy cult people. A very believable story.

My one and only big issue is it seemed really short compared to the rest of the series.....

I just finished this book in Chris Lowry's zombie series and LOVE IT! A fun, fast-paced zombie adventure in a post apocalyptic world!!! Don't stand between a Dad and his kids...

Great writing and exciting. It's a pleasure to read this book. Can't wait for the next book. Love the series.

Only reason review isn't a five star is bc stories are too short. Interesting characters and good dialogue. My two cents. Combine this book with next one into one book. Same story line this should be same book. Once he rescues kids or whatever then new book.

This was good, just like the rest, only it was too short or I'm just reading too fast. I got to say this is the only series of books that I've stayed interested in after the 2nd or 3rd book. Keep 'em coming
Chris
