Tommy grew up in poverty in a welfare family. His alcoholic father was violently abusive and in and out of prison due to drunkenness and illegal activities. His mother was completely illiterate, but she knew Tommy was going to be a “preacher man someday because God told her.” Tommy dropped out of school after the 6th grade and eventually pursued a life of crime until he met Sister Goldie in Venice Beach, CA. when he was 17 and on the run from the law. Sister Goldie led

him to the Lord and the Azusa Street saints. His career included security work, and he was a licensed Private Investigator. ~ ~ ~

My Pastor was preaching on revival and had been reading this book. His sermon made me want to learn more about Azusa Street. This book was so interesting that I couldn't put it down, and read it in about 3 hours. How we need revival in this day and age! The miracles that took place then are possible today! Repenting, fasting, and seeking God can start another great (and possibly even greater) revival than even Azusa Street!

I could not put this book down. My faith was greatly encouraged by these true stories of the power and glory of God Almighty! If you're looking for real life proof that miracles do happen, and happen yet today, this book is well worth the money. I plan to buy his first book also. Go for it!

I enjoyed reading this book, but I think the writing style takes some getting used to.

Here are some eye-opening facts about Christianity which go beyond our usual traditional concepts. Yet it is altogether scriptural. Don't read it unless you are willing to have some Christian beliefs of the 21st century traditional church questioned and challenged.

God is the same yesterday, today and forever more. What He did in Azusa Street revivals He can do today. He is just looking for humble vessels willing to be used and vessels who will not take credit for themselves. We can do nothing in ourselves. All power and manifestations of healing come from God.

Those who rejoiced with Azusa Now in LA will find these stories from a real life witness at Azusa Street not just inspiring but propelling you to wanting to see this level of the miraculous yourselves!

Approach with an open mind and you will praise God page after page for love and grace He shows to humble men and women. It shows how God uses the meek to do His work. It will encourage you to seek a greater anointing and power in your life. Blessed be our Lord Jesus for the preservation and retelling of this move of God. John Kinnunen

This book is a very well written compilation of the miraculous happenings in the USA around 100

years ago. It describes in great detail what happens to humankind when in the presence of God. It is a book that increases the faith of Christians and will cause those not yet convinced of the truth of Christianity to wonder and think. It has been written within the last year or so and is a recounting of the author's ear witness accounts from actual Azusa Street witnesses of the miracles that occurred there. It is an amazing read and you will be well rewarded for reading it.
