How Good Is Good Enough?: 6-Pack, Easter

Synopsis

Â Special 6 pack, ideal for church giveaways, welcome packets and small group distribution. Surely there's more than one way to get to heaven? Bestselling author Andy Stanley addresses this popular belief held even among Christians. But believing that all good people go to heaven raises major problems, Stanley reveals. Is goodness not rewarded, then? Is Christianity not fair? Maybe not, he says. Readers will find out why Jesus taught that goodness is not even a requirement to enter heaven - and why Christianity is beyond fair. Andy Stanley leads believers and skeptics alike to a grateful awareness of God's enormous grace and mercy. Good People Go to Heaven...Donâ™t They? Sure they do. It only makes sense. Actually, it doesnâ™t really make any sense at all. Smart, educated, accomplished men and women everywhere are banking their eternities on a theory that doesnâ™t hold water. Chances are, youâ™ve never really thought it through. But you owe it to yourself to do so. Find out now whatâ™s wrong with the most popular theory about heavenâ™ and what it really takes to get there.

Customer Reviews

Andy Stanley is a graduate of Dallas Theological Seminary and the pastor of North Point Community Church in Atlanta, Georgia. He carries on a tradition of excellence in ministry with a youthful congregation of over 12,000. Andy is the author of the 1998 Foreword Book of the Year finalist Visioneering and the bestseller Like a Rock. He and his wife, Sandra, have two sons, Andrew and Garrett, and a daughter, Allison. From the Hardcover edition.

People generally think that doing good works or just 'being' good in this life will get them to heaven. Andy Stanley clearly explains how the Bible shows there is only One way to eternal life. Worth reading to strengthen your own beliefs or to share as a tool for those on the fence about who God is.

Full disclaimer: I was raised Christian, but I'm agnostic, and as strong in my beliefs as any Christian I know. During a conversation about religion, a Christian friend asked that I read this book, largely because part of the conversation was my stating my "dislike" of the Christian requirements for entrance to heaven. It was a fair request, and I find the psychology of religion fascinating so I agreed to read it. I will say, Andy Stanley is an engaging writer and the book is a very quick read. However, I can't see this book being very compelling for anyone who isn't already a Christian and believer that the bible is the word of god. Much of the argument Stanley presents is predicated on holding Christian belief and based on things the bible says. For those of us who don't consider the bible the word of god, that's not very compelling. One thing I found very interesting is that, had I not known what the intent of the book was before starting it, I probably would have thought he was making a case for Atheism in the first half of the book. Additionally, the logic Stanley uses isn't going to win many debates as it's very easy to poke holes in - in summary, it's the basic "if A doesn't make sense, it must be B" type logic, without any consideration for C, D, E, F, etc...even though those are valid, and probably more likely arguments. Overall, this was a hard book to rate, because it's not poorly written, and if the target audience is Christians, than maybe he does achieve his goal, which is what matters right? Then again, for a reader like me, this book actually made my dislike of much Christian doctrine even stronger, so that would be a complete failure. In the end, I have to go 2 stars.

Great little book. I buy this book to give away to participants when teaching a Christian-based leadership course.

Great book that refutes the common belief that all "good People" go to heaven. And, it explains the real Way to get there. Simple to read and understand.

One of the best and most important books I have ever read!

Doubts? Yeah, we all have them. We are human and love to question but this will resonate with you. It's not a read that presses you for all the things you aren't doing but rather connects you to the realism of being a Christian and your Faith in Jesus. It's a quick 1-2 hour read and they can go with you anywhere to share with people who need to connect with God or have forgotten what that means.

eye opening book by pastor andy.some times you feel not good enough.but not a feeling it is a person of Jesus.that makes us good enough.

A common sense book that uses Biblical scripture.
