Practice And Pass The PMP Exam: The 2000 Questions (Annotated)

Synopsis

The Practice and Pass the PMP® Exam, 2000 Questions, it's actually more than 2500 practice questions for your Project Management certification. The questions have been assembled from several online contributors and edited to better apply to the PMBOK® Guide, Fifth Edition. The 2000 Questions features 32 tests to Prepare and Pass the PMP® Certification. More specifically, this volume includes 3 Specialized Tests (Glossary of Terms, Project Environmental Factors, and Code of Ethics and Professional Conduct), Tests on all Project Management Processes (Integration, Scope, Time, Cost, Quality, Human Resource, Communications, Risk, Procurement, Stakeholder), Tests on all Project Management Process Groups (Initiating, Planning, Executing, Monitoring and Controlling, and Closing). This edition also provides 10 complete 200-questions PMP Exams, as well as 4 BONUS Tests, including the infamous Project Management Mathematical Concepts...Be prepared, be ready, be successful!

Customer Reviews

The quality of question are good.....BUT.....the answers sometimes are not matching to the Igor choice, looks like some one is writing the questions (and he is qualified) , and another one is

answering by his limited judgment.....I will report this reference to the PMI, and may be going further!

this book was a major help! extremely close to the real exam questions...

This book is so riddled with errors and typos that I eventually stopped using it to prepare for the PMP exam because it was making me more confused than it was helping. Several of the questions have so many typos you can't even tell what the question is asking and incorrect answers are given for many of the questions. In some cases, the explanation for an answer directly contradicts the answer given. If you are trying to study for the exam, do yourself a favor and don't even bother with this book.

Wow. This book is stuffed with typos! It got so annoying, I could only go through 1 section of questions (integration). Good thing I have Kindle Unlimited and I didn't have to pay for it!
