Antigua's beaches are described in the chapter entitled "Beaches", and general descriptions of the amenities at each beach are included. The chapter "Water Based Activities" describes all of the things available to do in and on the water in Antigua, and there's lots to choose from. Antigua is famous for sailing and has many marinas and bay for safe anchorage, details of which are included. Antigua boasts some decent hiking opportunities, with lots of rugged coastline and mountainous areas to explore. All of the land based activities, including hiking, horseback riding and birdwatching are described in the chapter "Land Based Activities", and there is a lot to do. Antigua has many many sites of historical significance that are open to the public, and these are detailed in a dedicated chapter entitled "Historical Sites", most famously of which is Nelsons Dockyard.
