Great product, great price 2 day free shipping with Prime at my time of purchase made it an even better deal.

I bought it for my great nieces when they come over for the holidays. They will have fun.

Ok but rather simple designs for an adult coloring book.

This coloring book was great. I enjoyed each Christmas tree with its special design..I find coloring was relaxing and so much fun.

very nice little book...enjoy coloring in it

Seems more like a regular coloring book than an adult coloring book.

I received a free copy in exchange for my honest review. Great quality paper, this coloring book had specific pages that I had never seen in any other coloring book that I've purchased, it had coloring tips, color test page, info on a Facebook page that you can print pictures to color for free and also preview coloring pages from there other coloring books. In my opinion I think this coloring book is for the entire family to enjoy, a must purchase for those who enjoy holiday coloring.

Few pictures Too many other items in book like preview and test pages Pages way too porous for adult coloring book-sharpies seep Through most books but really badly this one-also pictures simplistic-too much so
