Received item early and it was as described.

I initially got this for my husband who is a big kenken fan. He really enjoys the more complicated puzzles and I recently got into it for some of the simpler, light puzzles.

Love Ken Ken and you can never go wrong with Will Shortz. Go for it if you like a challenge. Keep that brain active!

My 4th grader loves this book. Will Shortz has done a great job building challenging and interesting puzzles. Another winner from the famous NY Times editor.
