J.K. Lasser's Your Income Tax 2017: For Preparing Your 2016 Tax Return

Synopsis

America's number-one all-time best-selling tax guide, with 2,500 money-saving tips J.K. Lasser's *Your Income Tax 2017* puts America's most trusted tax advice to work to help you with your 2016 tax return. Reader-friendly and easy to use, this book answers your most pressing questions to help you maximize your tax savings. You'll learn how the latest tax law and IRS changes apply to your specific situation, and you'll find expert advice on sheltering income, planning, claiming deductions, and more. New tax laws, IRS rulings, court decisions, filing pointers, and planning strategies are highlighted throughout for quick reference, and the companion website at jklasser.com has an e-Supplement that updates the text with the latest tax developments from the IRS and Congress. Using a CPA or tax software to file? This guide shows you what you can do to leverage the utmost money-saving capabilities these services have to offer. Filing yourself? This book gives you guidance and expertise from America's most trusted tax resource for over 75 years. Tax laws are continually evolving, and even if your family situation and finances haven't changed in the last year, your tax-saving opportunities or liabilities may have changed because of new rules. Do you routinely stay up to date on IRS rulings and new tax legislation? J.K. Lasser does, and this book tells you everything you need to know to file your 2016 return. Maximize your tax savings with over 2,500 tax-saving tips Learn how recent tax law changes affect your 2016 filing Identify your deductions, and claim them correctly Get the answers you need quickly, from a trusted source Taxes are complex, confusing, and always changing, and it's tempting to just settle for what you're given—but why leave money on the table? You've worked hard for it, and you're entitled to it. Cut through the complexity and file correctly, on time, for a maximized return with the trusted authoritative help of J.K. Lasser's *Your Income Tax 2017*.

The standard when it comes doing your own taxes. Pair it with TurboTax Premier and you have a perfect complement. Each year Lasser updates the current laws and provides the strategy for tax

planning. I've purchased this for the past few years and found it very helpful when preparing my own taxes.

Well...it just arrived yesterday and I haven't used it yet. However, I've been using the "JK Lasser's Your Income Tax" book for about (?) 45 yrs. It will answer just about any question that you may have regarding your FIT. I automatically order it every yr. I'd tried others but they weren't as easy to locate what I needed to look up nor as easy to understand. This book is a great resource for doing your taxes and for tax planning.

My husbands bible. Always appreciate the content and help it provides.

Not as thorough as I hoped it would be considering how many pages it has. If you have difficult returns to file, you'll probably still have to contact the IRS for help. Guess they can't cover every circumstance, but I was hoping for more. Obamacare was the thorn in my side.

Good learning tool with a lot of information but hard to find the needed information for a reference when actually doing taxes. The book doesn't seem well made for heavy use. For this price though I'll probably get one every five years or so just for the greater information, but will go with "The Tax Book" for daily reference in the office. A

Great resource. Bought one for the home and one for the office.

no complaints here, excellent reading, still would recommend getting taxes done by a pro but at least it give you an idea of how to find that pro and what the pro should be doing for you.

We have used this product in our CPA practice for many years. It is no where as comprehensive as the professional tax services like RIA or CCH we use but for the money you cannot beat it for individual tax returns. If you have a complicated tax return you would be better off to use the services of a CPA or tax attorney or an enrolled agent.
