Suzuhito Yasuda is the artist most known for his illustrations for the Durarara!! light novel series as well as the hit new light novel series, Is It Wrong to Pick Up Girls in a Dungeon? Ryohgo Narita is the author of a number of successful novel series, including the original "Durarara!!" books. His earlier series, "Baccano!" was honored with the Gold Prize at the 9th Dengeki Novel Awards.

This, the second novel of the series, was adapted in only a few episodes of the first season of the anime. This book is fantastic for fans of the anime - like the first book, it places a heavier emphasis on Celty and the theme of twisted love. The writing is great and it's an exciting read, especially with the trend of ending every chapter with a chat log. The anime arc wasn't all that impressive, but this book makes the story very gripping. Buy this book!

Great book--I'd recommend this to anyone who liked the anime. The only complaint I had when reading it was that at times, certain sections seemed poorly written / a bit clumsy. Overall though, it was a great read. The characters are interesting and the plot is really unique. It's definitely the sort of book you can reread later because there are lots of little "hints" you don't pick up the first time around.

Yeah, I love DRRR!! The characters are interesting and intriguing. the story just keeps rolling. If you've seen the anime, this gives you backstory and fills in a lot of the internal story from the characters thoughts and emotions. Very much worth the price and enjoyable.

Good price. Fast shipping.

Honestly didn't think I'd enjoy this as much as baccano! but the writing is just astounding. Narita-sensei's character work is nothing short of incredible. If you want to read examples of how to write great characters, you need to read this series.

If you have seen the Anime already, this a great way to explore a little bit more of the characters motivations and thoughts in a light reading format. Well translated and really fun reads.

I'm in love with this series, I recommend this 100% Durarara is my favorite story by far, the character development is so good.

This series is one of my all time favorites. It's All character focused, so if that's not your thing you probably won't enjoy it.
