## Synopsis

When Ritsu Onodera changes jobs, looking for a fresh start, he's not exactly thrilled when his new boss turns out to be his old flame. Ritsu's determined to leave all that in the past—but how can he when his boss is just as determined that they have a future? Masamune Takano is the boss and first love of rookie shojo manga editor Ritsu Onodera. One day, sick of Takafumi Yokozawa's relentless badgering about his feelings for Takano, Ritsu snaps back that he actually hates him, not realizing Takano is nearby! In reality—and unknown to Takano—Ritsu is finally coming to terms with how he feels about his old flame. Spurred on by Ritsu's painful words, Takano makes a clear decision regarding his relationship with Yokozawa.

Shungiku Nakamura, DOB December 13, Sagittarius, Blood Type O.

This is the best BL (boy love) manga around! I am so tickled it's coming out in English and I don't have to scrounge the internet for poorly edited copies anymore!! The love story in this is also so sweet and precious. I can't wait for Ritsu to finally tell Masamune how he feels !

Diffinately one of my favorites.The story is balanced between humor, romance, and a confused/conflicted Ritsu.The art is one of the things I love the most. It's very original and well

done. I absolutely love the fact that the first page is colored! Hahahaha I'm just excited that it's finally coming out in English. I eagerly await the translation of Honto Yajuu now \*fingers crossed\*

This is a really good book. Can wait until I get volume 7. I just pre-ordered V 8 & 9.

This just gets better. I can hardly wait for the next vol. Great story!

One of my favorite series. Book six of a continuing series

Love the art style and all of her work really

in great condition and brand new

best BL manga series I've read, in my opinion!
