John: The Gospel Of Wisdom (The Biblical Imagination Series)

Synopsis

"When the Spirit of truth comes, He will guide you into all the truth." - John 16:13 "He who saw this has testified so that you also may believe. His testimony is true, and he knows he is telling the truth." - John 19:35 With time and experience comes wisdom. John, the longest-surviving of the apostles, recorded in his Gospel a portrait of Jesus that displays the depth of years of reflection on who Jesus is and what he means to the world. Writing in light of the philosophies of his day, John describes Jesus as the incarnate Word, the divine Logos, the embodiment of all truth and wisdom. In this last volume of the Biblical Imagination Series, Michael Card completes his work on the four Gospels. He shows how John stands alongside the other Gospel writers to fill out the picture of Jesus' divine identity, with stories and sayings of Jesus not recorded by the others. This Jesus reorients our understanding of ourselves and the world around us, offering us nothing less than the way, the truth and the life. Like John before him, Card has written these words so that we may better believe that Jesus is the Messiah, the Son of God, and that by believing we have life in his name.

Customer Reviews

Michael Card is a true artist, musician and scholar. That can't be said of very many people today. When Michael is no longer making music, I don't know of anyone who is following his example of being a scholar-musician. He takes creativity serious and his writing reveals that like his songwriting. Michael's writing is deep and enjoyable. "Thank you Michael for being such an influence in my life with your music and writing. Thank you Michael's family for sacrificing so much to allow him to serve the church so extensively."

It seems Michael Card has been a staple of my Christian Life ever since I learned of Jesus, and made the choice to serve Him with my life. I so much appreciate the scholarly insight this book series and accompanying music discs afford the simple-minded, and so grateful to God for choosing to put Himself into words, so that we might all understand and come to know Him for who He truly is. Thank you MC. Now, onto the next book!

Michael Card has a way of helping you take a long at what shouldn't be considered ordinary and see the book of John from a different vantage point. Highly recommended.

Michael Card helps the reader to imagine being with John as he spends time with Jesus.

I've read through each of Card's biblical imagination series and enjoyed them all. Reading them has taught me how to engage the bible more. I hope he writes a book on Acts next.

As with all of his books, this is a insightful book that is easy to recommend to anyone desiring to explore this book of the Bible. Well worth the price.

I use it in addition to my commentaries. It not only provides theological insight but also opens a window into Jesus' heart.

Very good insight into the book of John.
