Customer Reviews

It was good , but didn't have as many games as I thought.

We use this book a lot.

very good

Good book easy to read and follow.

fair

This book provides quick introductions into seven card games, all of which take very little time to learn. I got the book because I'm traveling on long train rides in Europe in a pair and we need a way to pass the time. These games are PERFECT for that.

Only so-so. Not very clear. It's like saying "Teach me Gin Rummy in 30 seconds".

A quick gloss over how to play a number of games. Did not include the game I was led to believe was in the book. (Gin rummy). Was very inexpensive, so I guess I didn't get burned too bad. Don't buy it if you are looking for details.
