You Wouldn't Want To Be An American Pioneer!: A Wilderness You'd Rather Not Tame

Synopsis

Do you think being a Roman gladiator seems glamorous? Does exploring the wild frontier as an American pioneer sound exciting? Think again! As you'll discover in this lively series, history definitely has a dark side. These revised titles include helpful new features—along with the same hilarious illustrations, captions, and sidebars that have made this series a hit with kids everywhere! You've heard that there are fortunes to be made out West. But are you tough enough to survive months on the trail, with little to eat and only your wagon for shelter?

Customer Reviews

Interesting facts

:-)

My students enjoy this book.

In contrast to most popular depictions of the westward expansion of the US, this presents a much more realistic view of the hardships faced by pioneers. Well done.

Really cute book and the kids enjoyed it.

Product received as advertised would do business with seller again, Thanks

This entire series was donated to our library. As the librarian, I have seen kids go crazy for this series. They love it and I love how excited they are about reading and history.

This book provides kids with the nitty gritty bits of information on the American Pioneers in the mid-1800s. When holier than thou information fails to woo students into enjoying and being interested in the topic, give them the bad stuff and they love it! People do learn better when they can connect and understand what others had to do to be successful. What pioneers went through in order to live makes for good reading and they become more interesting.
