AIA Guide To Downtown Minneapolis

Synopsis

Let architecture critic Larry Millett be your guide to the downtowns of Minneapolis and St. Paul, whose architectural histories display the uniqueness of these far-from-identical "twin" cities. Whether gazing at the historic Landmark Center near St. Paul's Rice Park or discovering the Mill City Museum, built in the shell of the Washburn A Mill along the Minneapolis riverfront, these guidebooks will satisfy your craving for details about the structures and the people who built them. AIA Guide to Downtown Minneapolis includes walking tours for Nicollet Mall, the Warehouse District, the central riverfront, and the Elliot Park and Loring Park neighborhoods. AIA Guide to Downtown St. Paul offers up the central core, Rice Park, Lowertown, and capitol districts. Each tour is copiously illustrated with current and historic photographs and paired with detailed maps. These deeply informative guidebooks are perfect for tourists discovering the Twin Cities and residents exploring what is right next door.
