Book by Regli, Philip W.

I loved this book!

The collectors guide is about 20 years old. Most of the prices noted are no longer valid. There should be some warning that the book is 20 years old. It is worthless.

This is a must have for all sports illustrated collectors. If you are a sports magazine collector then you need to have this book. A great resource listing every issue of SI along with sports covers of Time, Newsweek and other various magazines. Published in 1998 so how about an update !!
