Customer Reviews

Linda Olson's book is an amazing journey of self-forgiveness and moving on when the pain is unbearable. Her pain gripped my heart and then turned around and encouraged my heart as well. As I read her story, I felt as though I was there going through the pain as well as the victories with her. Linda Olson is a dynamic writer with a more than dynamic story of painful tragedy, overcoming obstacles, enjoying the victories, and most of all forgiving herself because her loving God has forgiven her.

This book is so amazing. I will be sure to recommend to everyone!!!

This is an inspiring book filled with courage and faith in God. In spite of deep pain Linda remained faithful to God and God stood by Linda while she triumphed over the pain and received answers to inspire us all. I definitely recommend this book.

Linda's story is a beautiful confirmation of God's ability to turn trauma into triumph. If you've ever felt pain so deep that you did not believe you could -- or even wanted -- to survive, this book was written for you, or for someone for whom you care deeply who desperately needs hope.

This is an amazing true story of victory out of tragedy! I have been so touched by this story.
