Sheryl Thies retired from a 35-year career in health care to follow her artistic passion and spend more time outdoors. In addition to designing, she enjoys teaching and has authored and coauthored several Martingale titles.

Beautiful patterns. I love every one!

I loved the design patterns - very fast delivery - thank you

Beautiful collection and definitely worth the price of the pattern collection! You cannot go wrong!

Many beautiful patterns.

A really well written book. The patterns are easy to follow and the instructions are very clear. I love that it also has an abbreviation guide and stitch glossary.

I love it because they are the same patterns that are in ocean breezes by same author, compare it and see, before ordering. the Ocean Breezes is a beautiful book, love it...so this would be good also.
