Simple History: The American Civil War

Synopsis

The American Civil War divided North and South and became the most destructive conflict fought in North America. On one side was the Union and on the other the Confederacy, divided over the future of slavery. Meet the North president Abraham Lincoln and the South, Jefferson Davis. Witness keys events like the draft riots and the Battle of Gettysburg. Simple History, telling the story without information overload.

Customer Reviews

I enjoyed reading this book for the simple fact that i love history, and anything about it. Usually I dont find much pictures in a kindle book, but this one was packed full of them and in color, how awesome! The picture of the battle of siloh was my favorite one by far. I loved the one about the proclimation the picture was awesome. The part in the end with all the pictures of the war people and a breif description was very enjoyable. This book is awesome for an adult or a kid . I definitely recommend buying this book

So much history in a fun, very easy to read book. Kids of any age will love it and find it very helpful

in school. Great, great book.
