Customer Reviews

This book was a great read it keep be glued to my kindle until the end. I can't wait for part two, but I am so speechless I don't know what else to say but keep up the great work.

From begin to end this author hand me like wtf. Every character was just so carefree about their issues. It may have cost them more than they bargain for. Why Arahm kept Rodney secret. Haleem should have took his stalker more serious. I love Haleem and Jean relationship. Nona is real as hell lol Rasean need to leave his fake baby momma alone . the cliffhanger got my pressure up. Now I got to wait until part 2 get answer to the ending.

Rodney just don't know he dug his own grave, by hitting Arahm. Rasean is going to kill him. Rodney and Mark should have left while they when they had the chance. Rodney is going to try to rape her before he kills her. Kiki should poison both her and Charnae and make her lose the baby. Tyrell shot Haleem shot because he was jealous and taking Jean away. Can't wait Rasean and Haleem to take out Rodney and Mark. Charnae is going to lose the baby and Rasean and Arahm can be together when he finds her. So ready for part 2

Ro Monique this book is lit but what did I expect from you ,you never disappoint. Jean and Haleem keep you laughing .Rasean why you even trust that crack head. Arahm has it hard hoping she will be safe..can't wait for the part 2 Ro Monique awesome job on this book

Whhhyyyyyyyyyy? I love Rasean and Arahm. Charnae stupid and what she did to Rasean at the end was crazy. I love Jean and Haleem's they crazy, but made for each other. The cliffhangers have me on pins and needles right now tho. Great job Ro.

Omg this book had me laughing so hard, along with almost crying smdh I can't stand charnae.. and I thought Tyrell was the 1 blowing haleem phone up even b4 he got with Jean idk I hope my boo rasean gets there in time to save arhan

Me and this book was everything with it being a new series I was kind of scared to try it because I read all of her books and fall in love with this was something totally different than what she usually writes but overall I love the book I hate that it took so long for Rasean to come around and realize that his baby mom is gone off of drugs but hopefully everything will work out in part 2

Petty petty petty! Ro does it again with another banger and I can't wait for part two! Rodney has to go and charnae urns my entire soul! Rasean screwed up! This was an entertaining fast paced read!
