Customer Reviews

I'm a ketogenic dieter, and I have been tinkering with cauliflower for months. While many of these recipes aren't low carb, they are giving me some ideas for future recipe modifications

Poor photos, poorly written, nothing special. If you are looking for new ways to use cauliflower this is not it. It has roasted and mashed. Where are new ideas? Cauliflower rice, pizza crust or bread sticks etc not in this book.

I had no idea you could use cauliflower in so many ways
