Dilbert 2018 Day-to-Day Calendar

Synopsis

If you thought that changing the dress code in Dilbert's workplace to "corporate dorky" would boost morale and improve efficiency...you may be in management. Or just deluded. Dilbert swapped his unruly tie for a badge and lanyard, but his Pointy-Haired Boss still tries to lead by buzzword, Wally keeps working hard at being useless, and Alice just keeps working at keeping it together. Whether you rock polos and khakis or full-on business suits, the *Dilbert 2018 Day-to-Day Calendar*, which features a Dilbert strip on every page, will make sure your sense of humor is sharp (even if your wardrobe isn't).

What started as a doodle has turned Scott Adams into a superstar of the cartoon world. Dilbert debuted on the comics page in 1989, while Adams was in the tech department at Pacific Bell. Adams continued to work at Pacific Bell until he was voluntarily downsized in 1995. He has lived in the San Francisco Bay Area since 1979.

This is my second year buying the Dilbert Day to Day calendar. It is a very nice calendar for your desk or as a gift. The daily comic strip is funny and the quality of the calendar is good. The pages are approximately 5.25" by 4.25" and the paper is typical printer paper quality (in color). It has a plastic stand, to stand it up on a desk or other surface (it does not have a hole in the back for wall mounting, like some other calendars have, but I never use that anyway).

I purchase this calendar every year. It is a calendar with a page for every weekday and one page for the weekend. The cartoons are typically Dilbert: pithy and very funny. The price was right.

I work in an office, and it sometimes feels like I'm one robotic co-worker away from having a pointy haired boss. I love having a daily Dilbert calendar to give me a good laugh when I need it. The stand is stable, and there's enough space below the comic to allow for reminders.

I LOVE my Dilbert calendar. Every day I rip off a page and laugh or cry at how funny and/or close to home it hits. I NEVER read ahead, and enjoy each and every day. Scott Adams comics are a terrifyingly funny look at daily life in almost any corporate environment. If you work in an office I recommend this without hesitation. I would also point out that these are NOT new comics, but reprints of some of his older stuff (the last page was from 2014). Still, I don't recognize them, so it's all good!

I give one of these calendars every year to a friend who really loves Dilbert. She says it gives her a laugh no matter what kind of a day it is at work.

Love these calendars. I have purchased them for several years as the dry humor reminds me of both civilian and military times

What can I say. Dilbert is awesome. I'm an Electrical Engineer and have been buying these Dilbert day-day calendars for 20 years now.

The classic. A must for nerds of all stripes and persuasions. Great for a pick-me-up when your boss is being a twerp.
