Gunner (The Bad Disciples MC Book 1)

Synopsis

I'll screw any woman I want, even the enemy. As a sniper in the military, I shot on sight. But now the only thing I have eyes for is Brooklyn, the new bartender at PJ's. Her curvy hips, those pouty lips, I want to touch every inch of her skin. I'll bend her over my bike and show her how a Bad Disciple really rides. But Brooklyn is hiding something. A secret that could rip us and the club apart. I killed her brother overseas. And now it haunts me in our streets. I'll convince Brooklyn to stay with me. I never miss a target, and this time the bullseye is her heart. Gunner (The Bad Disciples MC) is a full length STANDALONE bad boy MC HEIST romance. The next in the series, Hunter (The Bad Disciples MC) is NOW AVAILABLE! Also features a BONUS BOOK, Love and Business (Club Privaat #1)!

Customer Reviews

I enjoy the book, Ember finds the love of her life Zander in a auction private club for the rich, were you go on a date and anything else it up to you and your date. Oh did I mention you get 20 percent of what ever the amount of money that the men bid for you.

I love a good MC book and this story didn't disappoint. Gunner is returning to his hometown after being in the military. He has lost his father and brother and he has guilt because a member of the company he was responsible for was killed. His guilt is all he can focus on until the MC that his father and brother were a part of asks him to join. While he didn't think he ever would he now realizes they are his only family. Brooklyn is just existing. She lost her father a while ago and just recently lost her beloved brother - Luke. She is grateful for the MC club that she grew up in keeping tabs on her but she's starting to feel closed in by them. She can't think of anything but her misery over the loss of her brother. When these two broken souls meet the chemistry is immediate and the attraction is off the charts. They use the attraction to help them forget their sadness. When they discover that they are from rival MCs will their happy world come crumbling down? Will Brooklyn believe Gunner when he tells her a secret about her beloved MC? What about when she finds out how Gunner and her brother are connected? This is a good MC story. And the reader can see how Gunner and Brooklyn have hot chemistry but also how they help the other heal. I was given this book for an honest voluntary review.

Gunner by Savannah Rylan a fab four star read. This is the first book in the Bad Disciples MC series and what a start, it's also my first Savannah Rylan and it will not be my last, she wrote a broken man in Gunner whom you couldn't help but fall a little in love with and want to be there to fix him and put him back together. Gunner Alton he returns from military service full of guilt and pain, and when he sees a chance to be closer to his father and brother who are sadly passed by joining their MC it seems like a great option, plenty of fighting and opportunities for a man like him. When he meets a woman sparks fly, and when it turns out that she has also lost people they have a lot in common and it seems to be going good, but life isn't smooth and easy flowing and just like Romeo and Juliet before them they have a mountain in front of them that will need to be moved for them to be together. This story is filled with drama and intrigue, there are lies and chemistry that will have explosions popping up everywhere. If you like MC romance then this will be just your cup of tea.

Gunner was a sniper overseas and enjoyed the military until one of his men stepped on a land mine. His friend set off the mine before Gunner could help him and Gunner feels responsible. Now Gunner is out and dealing with his guilt. He is asked to join the MC that both his dad and his older brother lived and died for. It was never Gunner's dream but he needs something so he joins the Bad

Disciples. Going home that night he stops by PJ's bar and sees a sexy bartender. He instantly wants Brooklyn and starts to make his move. Brooklyn has recently lost both her father and her brother. They were leaders to a rival MC. Brooklyn knows it is her duty to hook up with a member of their MC and provide future members. However she doesn't want any of them. She wants Gunner. However there is now hope for them to be together because of the gangs rivalry. This is a book with some twist and turns. It is about secrets. I voluntarily received a copy of this story and this is my honest review.

I voluntarily reviewed an ARC of this book. And I enjoyed it immensely. Savannah Rylan nailed the MC romance genre with the first book of The Bad Disciples MC. This story is sexy, suspenseful and entertaining. The chemistry and interaction between Gunner and Brooklyn is filled with insta-attraction and insta-lust. Coming home after honorary discharge, Gunner finds himself lonely. After meeting up with the MC both his father and brother once belonged to he find new normality in his life. And after meeting a beautiful woman, who makes him forget about his losses, everything changes. This story is sweet, heartfelt and intriguing. Can't wait to read Hunter's story.

This is a great start to an MC romance series. I can't wait for more of these stories, including Hunter's. Gunner finds himself back home after being honorably discharged from the military. Both his father and his brother were members of the MC, but does Gunner want that life. However, he finds himself being drawn into the life once he realizes the rival MC is trafficking women, not something he can stand by and watch. Brooklyn is still dealing with the loss of her brother, so the MC has taken her in and is keeping an eye out for her since her father and brother are no longer alive to do so. However, Brooklyn doesn't fancy any of her family's MC members. One night she meets Gunner and is instantly attracted to him in ways she has never felt before. But why do they know some of the same people and have the same warnings towards each other. Will their rival MC clubs get in the way of their love? Can Gunner and Brooklyn save each other? This story is sexy, filled with drama, full of twists and turns, lots of chemistry and very entertaining. I voluntarily reviewed an ARC of this book.

Gunner and Brooklyn. Lust at first sight. Both of them reeling in grief after losing someone close. Unbeknownst to either of them, it's the same man. Her brother, Luke. He was lost in Afghanistan, and a part of Gunner's team there. He feels responsible and she feels lost. Brooklyn loses herself in work. The MC she grew up in, always in the background of her life. After he came home, Gunner

seemingly, has no purpose. He soon joins his family's MC. Soon, these two find each other, by chance. It's a modern Romeo and Juliet. Rival families, illegal activities, danger, these two go through it together.
