Words Of Silk

Synopsis

Laney McLeod's life changes the minute she finds herself stuck in a high-rise elevator in Manhattan. Fighting her rising panic, she relies on a handsome stranger to help overcome her claustrophobia. The man, Deke Sargent, is just as attracted to this beautiful and vulnerable woman as she is to him. When the power comes back on, Deke and Laney find themselves in a passionate embrace that soon leads to a night of love in his apartment. Shocked at her own brazenness, Laney disappears the next morning. Months later, she receives an even greater shock: Deke shows up with an astounding announcement. Unable to forget the chemistry between them, but afraid that she's just another notch on this wealthy playboy's bedpost, Laney is about to discover that her resistance to Deke hides an even deeper fear. In *Words of Silk* Sandra Brown displays her uncanny grasp of the struggle between doubt and desire, caution and hope -- the quiet battle that rages deep within the human heart.

If you're downloading to your kindle - think twice. The text formatting is a huge problem - font changes, skipped words; some pages show only a vague image - no text. Totally frustrating experience. Has to be a technical glitch. Unfortunate.

*Bestselling author Sandra Brown leaves us with another excellent love story from beginning to

end!..... After visiting with close friends at their apartment in New York City, Laney McLeod is suddenly consumed with panic. As the elevator door starts to slowly close, the city undergoes a blackout but not before a very downright handsome man strolls in at the knick of time. Sensing her claustrophobia, he tried to calm her down by holding her and talking very gently. When the power is restored and the elevator reaches the lobby, Laney is so terrified that attorney Deke Sargent takes her back up to his floor and into his apartment. Not sure of what to do, he brings her a brandy to try and calm her down but when he looks at her, he realized that the drink has put her in a stupor. What to do now? He helps her into his bedroom just so that she can ly down for awhile but when he turns his back, she has removed her clothes, slipped into bed and to make matters worse, she begs him to stay with her. Unfortunately for Deke the inevitable had happened and when Laney finally awoke, she was in for a very rude awakening. Where was she? What happened? As Deke stepped into the bedroom and saw she was awake, he told her to come into the kitchen for coffee. Except Laney without him knowing had no intentions of staying and she slipped out as quietly as she must have slipped in? Thank goodness for small miracles she was thinking but it was a miracle indeed when the doctor told her. she was pregnant. Being an elementary school teacher and her love for children, she was estatic especially telling the school board that she was separated from her husband. What else could she do? Except there was a very huge problem with that lie she told because behind her, a very dreamy voice crooned "darling!" No other than her long-lost husband, the handsome not to mention sexy Deke Sargent home at last!..Will Laney see Deke? Will he propose? Does she love him? Does he love her?.....thank you.....

This item was delivered on time as promised and was in excellent condition. The book was very good and I couldn't wait to find out the outcome.

Seriously I think this was written by a high schooler. Awful. Just awful. One of the worst written books I have ever read.

All her books are excellent

A wonderful story to read on holiday, because if you start reading, you will not stop until it is done...Heartwarming love story

Just awful from beginning to end. Somewhere along they way I quit. Characters predictable and 1

deminsional

I loved the story but there were a lot of spelling errors as well as the number "1" used in place of the letter "l" several times.
