Kali Mantra Magick: Summoning The Dark Powers Of Kali Ma (Mantra Magick Series Book 2)

Synopsis

WARNING: Please read this warning before you proceed to call upon Kali. Kali is fierce. Meaning, when you use her mantra you are invoking a fierce energy. Her energy is not subtle. The results can be rather dramatic, Kali, the dark mother of the Hindu pantheon is oft the most misunderstood Goddess in all human spiritual endeavor. Her images often depict her as being an evil and demonic force that few should ever dare call upon whilst others worship her as benign Goddess whom bestows blessings upon her supplicants. She is, in fact, both of these. Kali will challenge the stuffiness and properness you have acquired in this life. She will challenge who you think you are. She will spit in your face, she will push your buttons and will humble you. She will make you face your demons. Cut away your pride. She will make you grow whether you feel you're ready or not. All for the sake of breaking you out of your shell, a shell you so readily hide in. Kali will throw you into your challenges raw. Thus, letting you learn on your own. She would be the one to push you into the deep end of the pool so you can learn to swim. She will show you the futility of your overly valued words and notions of yourself to which we all idolatrously worship. If you are ready to call Upon Kali then this book is for you.

Customer Reviews

While the book does have what seem to be some essential Kali mantras, and descriptions of traditional rituals - even going as far to loosely translate some of them or tell you what each mantra could be used for - the actual execution of the book is very poor. The cover is extremely pixelated (which is not really that important but felt it needed to be noted) and the grammar/spelling/punctuation within is honestly terrible. Multiple errors. Honestly, this wouldn't be that big of a deal to me but since mantras are so important to recite in an exact manner, the copious errors in punctuation, spelling, and grammar make me weary as to if I am really reading and reciting the mantra correctly. I will use this as a loose reference, at best.

Excellent book. Well laid out. Written playing and beautifully. I highly recommend this author!!

Not for novices, Very powerful to work with Ma Kali. It is well written and very precise.

Really works and its powerful... Good experience with this book...!!!

This book is simple, very easy to understand , but at the same time very precise. I enjoyed reading it

I really like all of Baal Kadmon's books. They are very informative and to the point.

I have only done Kali's mantra a few times but they always have left me with a lot of energy. You can feel her presence with these mantras.

Namaste
