Customer Reviews

I bought this on the Kindle Fire7s we have for my kids. They tell these joke EVERYWHERE! They have some really great ones. Brings me back to my childhood!

Well...it's a very easy read. I've heard most of the jokes (or versions of them) and they are definitely not the best. Actually, I've heard them "said" much better. I suppose since it's a free download it's

OK but I'm glad I didn't have to pay for it.

I am serious type of guy, but once in a while I will look for something funny and I give this one a try. I found my self smiling and laughing inside my mind, imagining the hilarity of the visual images the jokes have.

The best Yo Mama Book I have ever read. It doesn't get better than this. I tried many of them on my family members and they brought tears to their eyes from laughter....Loved it...refers back to it everytime I need a Yo Mama..

I found myself laughing out loud on the first page. Some of the jokes are really subtle. Personally I found the jokes relating to old people extremely funny.

This book is so funny words can't explain it it's hilarious so you yeah you download the book it's so funny.

I love hearing and telling jokes, and this book is full of good ones. "Yo Mamma" is a classic tagline, and it is hard one to beat. Some of these you only need to use with good friends who know you are kidding. Some of them can be told anytime. Memorize a few of these and tell them to your friends to get a good laugh! I know I will. These jokes are great.

no one will want to make fun of me now that I know the best your mom's so dark, so dumb, and old
