Synopsis

India lives in a large, luxurious house with a mum she can't stand and a dad she adores, though he hasn't had much time for her recently. She seeks solace in her journal, which she keeps in sincere imitation of her heroine, Anne Frank. Treasure lives on the local council estate with her loving and capable grandmother. She is devoted to her nan but lives in fear of having to go back to live with her mother and violent stepfather. A chance meeting sparks a great friendship between the girls. And when Treasure has to run away to avoid her stepfather, India comes up with a hiding place inspired by her favourite writer. India hasn't got a real secret annexe like Anne Frank - but she has got a hidden attic . . .

It was a good book and I like how it was set out to tell both sides. Good work Jacqueline Wilson

I thought it was a good book I love the wizard of oz movie it was made in 1939 Sophie

This book was written for girls who like to have a lot of friendships, and girls who have trouble with their family, maybe their step parents, sisters, or brothers. Secrets would help you understand better your problems with your family and it will show what a real, true friend is. Secrets was written thru the eyes of a woman called Jacqueline Wilson. I recommend this book for teenage that are going through family difficultness. This book will attract people who like serious drama, friendships, and maybe trouble with family. Secrets is a book that you will want to keep reading to the end. Carla Victoria Morales

Secrets was a great and exciting book once you read the first chapter you need to read more. It was about a young girl called Treasure and her dad was beating her up so she went to live with her nan. And she got a best friend called India and well its too much to say just read it
