# Successful College Writing: Skills - Strategies - Learning Styles Fifth Edition

## Synopsis

Because so many first-year writing students lack the basic skills the course demands, reading specialist McWhorter gives them steady guidance through the challenges they face in academic work. Successful College Writing offers extensive instruction in active and critical reading, practical advice on study and college survival skills, step-by-step strategies for writing and research, detailed coverage of the nine rhetorical patterns of development, and 61 readings that provide strong rhetorical models, as well as an easy-to-use handbook in the complete edition.

McWhorter's unique visual approach to learning uses graphic organizers, revision flowcharts, and other visual tools to help students analyze texts and write their own essays. Her unique attention to varieties of learning styles also helps empower students, allowing them to identify their strengths and learning preferences. Read the preface.

## Customer Reviews

It has all the essential guidelines to write, analyze and proofread any essay with several examples to review in this amazing book

Digital Rental, not much to say. It was nice not having to carry around a physical book, and the options available in text (search, chapter select) are super useful. i always recommend renting textbooks on Kindle, makes life so much easier!

The book was clear and helped a lot in class. The biggest downfall is the price.

I rented this book and it was just what I needed for my class.

Good content in this book. It really helped me in the class I took and improved my writing greatly.

Really helpful and right on time for class use the book all the time this semester for any essays needed to help give me ideas and help with my foundational work

Good book, extremely useful as a writing aid. It has a few errors and some misprinted information but nothing critical, and it is all fixed in the newer edition.

Received the book in great condition. Was exactly the one teacher requested. Has all the info and examples needed on how to write essays in college.
