The Real Book - Volume II: C Edition (Fake Book)

Synopsis

(Fake Book). The Real Books are the best-selling jazz books of all time. Since the 1970s, musicians have trusted these volumes to get them through every gig, night after night. The problem is that the books were illegally produced and distributed without any copyrights or royalties paid to the master composers who created these musical canons. Hal Leonard is very proud to present the first legitimate and legal editions of these books ever produced. You won't even notice the difference...the covers look the same, the engravings look the same, the songlist is nearly identical, and the price remains fair even on a musician's salary! But every conscientious musician will appreciate that these books are now produced legally and ethically, benefitting the songwriters that we owe for some of the greatest music ever written! 400 songs, including: Air Mail Special * Birdland * Bye Bye Blackbird * Caravan * Doxy * Fly Me to the Moon (In Other Words) * Georgia * Girl Talk * I Remember You * I Thought About You * In Walked Bud * The Jodi Grind * Just the Way You Are * Killer Joe * Little Sunflower * Mercy, Mercy, Mercy * Moanin' * The Nearness of You * Now's the Time * Old Devil Moon * Phase Dance * St. Thomas * Speak Low * Stardust * Tangerine * Tenor Madness * Watch What Happens * Whisper Not * Willow Weep for Me * Yardbird Suite * and more. Editions also available in B-flat, E-flat, and Bass Clef. Looking for a particular song? Check out the Real Book Songfinder [here](#).

Customer Reviews

Founded in 1947, Hal Leonard Corporation has become the worlds largest print music publisher, representing some of the greatest songwriters and artists of all time. We are proud to publish titles of interest to all musicians as well as music lovers, from songbooks and instructional titles to artist biographies and instrument price guides to books about the music industry and all the performing arts.

Great to see this volume all of the Real Books available for purchase rather than having to buy one from a shady sax player in a dark alley! Just kidding.

Arrived well packaged and exactly as advertised. Was a gift . Our 16 year old grandson is a talented saxophone player in his high school jazz band and he seems to have liked the book.

Great book for the jazz guitar. My Grandson plays this a lot. It was recommended by his guitar instructor. A+

A friend and I used them together and they met all expectations! Our guests were truly impressed with the arrangements and quality of the tracks!

This and the other 4 volumes (I bought them all) add up to an absolutely superb collection of popular standards. So far I have found all I tried.

Great source of lead sheets. I just purchased this and cannot comment much more than it is what I expected.

Lots of sheet music. I've never heard of half of it. I like using Hal Leonard's books....this one falls short of my expectations.

Excellent compilation of American Song Book selections with exceptional chord annotations. Easy to read and a fine resource for any musician who enjoys improvising tunes and perusing great fake books. Rudy P.
