A Paddler's Guide To Killarney And The French River

Synopsis

The latest addition to Kevin Callan's guidebook series provides the 20 best canoeing, kayaking, and hiking trips in Ontario's picturesque Killarney/French River region, a favorite wilderness getaway spot in central Ontario. At least three of the routes in this book are documented here for the first time. Situated at the north end of Georgian Bay, Killarney Provincial Park is a paddler's paradise of rugged, windswept islands and turquoise lakes beneath breathtaking white quartzite mountains. The nearby French River is a historic waterway once used by explorers Samuel de Champlain, Alexander Mackenzie, and David Thompson. Paddlers of all experience will find weeklong trips on Killarney's tranquil interior lakes and along the Georgian Bay shoreline, and weekend jaunts down remote stretches of the French River. The book includes detailed maps, suggestions for side trips, and color photographs, making this the ideal reference for planning a dream trip by canoe or kayak. Callan's fascinating notes and his trademark tales of adventure and misadventure add to the reading pleasure.

Book Information

Customer Reviews

Callan's love of the wilderness and sense of humor shine through the pages of this guide, and one feels confident that his first-hand experience provides trustworthy information to assist would-be explorers of this most beautiful region. (Diana Mumford Wave Length Magazine)A comprehensive guide to one of Ontario's most celebrated parks... detailed maps, new routes and photos.

(Explore)Callan has written another beautifully photographed and detailed book about canoeing,

kayaking and hiking in the Killarney and French River regions of Ontario... a must have that will guide you on the way. (The Cottager) Kevin helps you find the hidden corners... great maps, solid photos and a wonderfully witty and self-deprecating style. (Michael Peake Che-Mun (Journal of Canadian Wilderness Canoeing))

Kevin Callan is the author of ten books, including the bestselling A Paddler's Guide series and, most recently, The Happy Camper. He is the recipient of two National Magazine Awards and is a featured speaker at many of North America's largest paddling events. He lives in Peterborough, Ontario.

Good book. I have used his books for other trip planning.

This is an excellent book, which can guide you through the beginning stages of choosing a route and planning your trip, but you had better bring a more detailed map - especially for the French river trips. The maps in the book along with the trip details probably are not enough.
