Men's Pie Manual: The Complete Guide To Making And Baking The Perfect Pie (Haynes Manuals)

Synopsis

The Men's Pie Manual tells you everything you need to know about making and baking proper pies. Covering tools and equipment, perfect pastry, and fantastic fillings, it will have you wowing your friends and family. Because when you bring a big golden pie to the table and gently break into that flakey pastry, or pop a steamed pudding and let the filling slowly tumble out, anyone who isn't impressed by that isn't worthy space at your table; fetch their coat. Equipment - all the kit you'll need, from spring form tins to rolling pins, as well as how to take care of your knife. Pastry - Shortcrust to rough puff. How to make the golden casing for your pies Stocks and sauces - Can you make a cup of tea? Yes? Then you can make stock. It's that easy, and a key component in pies. Recipes - Fancy tucking in to a huge steak and ale pie, or maybe showing off your homemade Melton Mowbray pork pie to the lads? What about a classic apple or cherry pie? Finally, even things that are almost pies such as sausage rolls, pasties, and beef Wellingtons are covered.

Customer Reviews

Andrew Webb is a food journalist and author. He's appeared on TV, Radio, and regularly writes for *delicious.* magazine and various newspapers. He's also been a judge at the British Pie Awards since 2011 - consequently he knows a good pie when he sees one.

I brought this book as a present for my husband for Christmas. He absolutely loves it and the recipes he has already tried have come out tasty! I recommend this book for any pie enthusiast

Beautifully put together. Probably one of the more aesthetically pleasing cookbooks I've owned. Each page has a nice photo, and a concise and generally well worded recipe. The photos are also generally communicative to the task, and not just artistic shots of ingredients as seen in many cookbooks. The book opens with selecting equipment and an overview of ingredients, pastry types and crust assembly. There are some hiccups. For instance am I holding on to the ginger for moral support while I assemble the rum nicky? It is listed as an ingredient but never mentioned in the recipe and now I am jamming ginger crystals through my lattice top (still delicious) . Also the book is very much written for the British audience. As an American who enjoys making other nations' recipes one grows accustomed to gas marks and Celsius conversions or tracking down a straight sided pie tin for a proper gala pie, but writing such as instructions to 'roll the dough to the thickness of a pound coin' makes me think you are limiting your audience. Overall I would recommend it as a very approachable and attractive guide to pies, especially savory pies.

Good book!

I bought this as I thought it was variations on the pork Pie. It has many recipes for various English pies - with some novel ones like the full English breakfast pie.
